## SONESTA HOTEL TOWER & CASINO\*\*\*\*\*

**Sonesta Hotel** is rated 5\* and is located in a good area in Cairo, about 15 minutes from the airport, and 30 minutes to the course.

The hotel has a substantial breakfast buffet with omelet stations and a great choice of hot and cold dishes. There are several onsite restaurants, confectionery store and two bars, plus a nice pool with an additional bar. The hotel also has a casino and Vibes discotheque onsite.

The hotel offers an express luxury pick up from the hotel, for a fee, which we would recommend. You will be met at the airport, have your arrival visa arranged and pass through the immigration lines quickly. These pick-ups must be arranged 48 hours prior to arrival.

*An Uber or Taxi is the best form of transport and will cost approximately \$5 USD each way, so is very cheap. Our suggestion is to use an Uber as taxi drivers will offer high prices and if you don't barter, you will get ripped off.*

## RADISSON BLU HOTEL\*\*\*\*

The **Radisson Blu Hotel** is rated 4\*, but is in our opinion, a nicer, more modern and more luxurious hotel. It is **10 minutes from the airport** and shuttle pick ups are included in the price but must be booked in advance. The hotel is **30 minutes from the course**.

The hotel has a vast breakfast buffet and a **rooftop pool**. There are **restaurants, spa, workout facilities** and a **bar** onsite and is located in a good area in Cairo. There are shopping and dining options nearby. This hotel is 5 miles from the Sonesta.
